Director's Message

Darick Wong
Country Director 国家总监

Together, let us inspire greater hope, create meaningful change, and build a future where everyone has the opportunity to flourish.

在2024年，HOPE worldwide 马来西亚始终坚定不移地履行我们的使命，改变生活、振兴社区。今年，我们的重点是扩大心理健康项目和推动志愿服务，因为我们深知它们对个人福祉和社会整体力量的深远影响。

心理健康仍然是整体福祉的重要方面，尤其是对于那些面临日常困境的弱势群体。通过我们的“从挣扎到坚强”心理健康教育项目，我们为低收入家庭提供了知识、支持和应对生活挑战的韧性。通过公开和积极地讨论心理健康，我们正在打破偏见，确保没有人因沉默而受苦。

我们的志愿者在推动真正改变方面发挥了至关重要的作用，从辅导年轻人到支持边缘化家庭。我们工作的核心是志愿服务精神。每一份善意，每一小时的奉献，每一次伸出的援手，都会产生希望的涟漪效应。他们不懈的热情提醒我们，团结一心，我们可以将同情转化为行动，创造持久的改变。

我们项目的影响力体现在我们所触及的生命。从克服困境的个人到重建未来的家庭，这些变化激励着我们不断前行。这些故事的力量驱动着我们继续努力，做得更多。

这一切都离不开我们赞助商、企业合作伙伴和个人捐赠者的慷慨支持。无论是财务资源、时间还是专业知识，你们的贡献都是我们所有行动的推动力。正因如此，家庭找到了希望，个人发现了力量，社区得以振兴。我们深深感谢你们对我们事业的信任与承诺。

展望未来，我们邀请您继续与我们同行。让我们一起启发更大的希望，创造有意义的改变，建设一个每个人都有机会茁壮成长的未来。

感谢您对我们使命的坚定支持和信任。

In 2024, HOPE worldwide Malaysia remains steadfast in our mission to transform lives and uplift communities. This year, our focus has been on expanding mental health programs and fostering volunteerism, recognizing their profound impact on the well-being of individuals and the collective strength of our society.

Mental health remains a crucial aspect of overall well-being, particularly for vulnerable communities facing daily struggles. Through our "From Struggle to Strength" Mental Healthcare Education Program, we have empowered low-income families with knowledge, support, and resilience to navigate life's challenges. By addressing mental health openly and proactively, we are breaking down stigmas and ensuring that no one suffers in silence.

Our dedicated volunteers have been instrumental in making real change, from mentoring youths to supporting marginalized families. At the heart of our efforts is the spirit of volunteerism. Every act of kindness, every hour dedicated, and every hand extended creates a ripple effect of hope. Their unwavering passion reminds us that together, we can turn compassion into action and make a lasting difference.

The impact of our programs is best reflected in the lives we touch. Stories of transformation, resilience, and renewed hope continue to inspire us. From individuals overcoming hardship to families rebuilding their futures, these journeys fuel our commitment to do more.

None of this would be possible without the generous support of our sponsors, corporate partners, and individual donors. Your contributions—whether financial resources, time, or expertise—have been the driving force behind our initiatives. Because of you, families have found hope, individuals have discovered strength, and communities have been empowered to thrive. We deeply appreciate your trust and commitment to our cause.

As we look ahead, we invite you to continue this journey with us. Together, let us inspire greater hope, create meaningful change, and build a future where everyone has the opportunity to flourish.

Thank you for your unwavering dedication and belief in our mission.

Our Mission 我们的使命

A grassroots approach enabling corporate fundings through a community of dedicated staff and volunteers to deliver sustainable, high impact, result driven community services to the poor and needy.

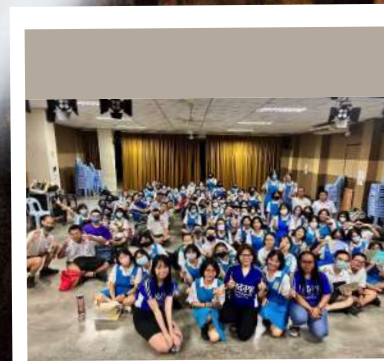

透过专职的员工和志愿工作者，提供持久性，冲击力强和社区服务性质的济贫计划。

Mental Health

YAYASAN
HASANAH

HOPE *worldwide* Malaysia in collaboration with Yayasan Hasanah Social and Emotional (Psychosocial) Skills for Students (Endorsed by Pejabat Timbalan Ketua Pengarah Pendidikan Malaysia, Sektor Operasi Sekolah, Kementerian Pendidikan Malaysia) is a mental health awareness program that provides a beacon of hope for secondary students, empowering them to navigate challenges with resilience and confidence.

By offering a safe space for activities and interaction with friendly facilitators, in addition to hands-on with practical coping strategies, the program helps students develop self-awareness, manage stress, anxiety, and self-doubt. As they build emotional strength, they gain a renewed sense of hope— one that encourages them to embrace their potential, build meaningful relationships, and look toward the future with optimism.

Mulu National Park, Sarawak

Empowering Minds, Inspiring Hope.

What does hope look like for a student struggling with anxiety, self-doubt, or overwhelming stress? In 2024 we set out to answer this question by establishing our HOPE Mental Health Program.

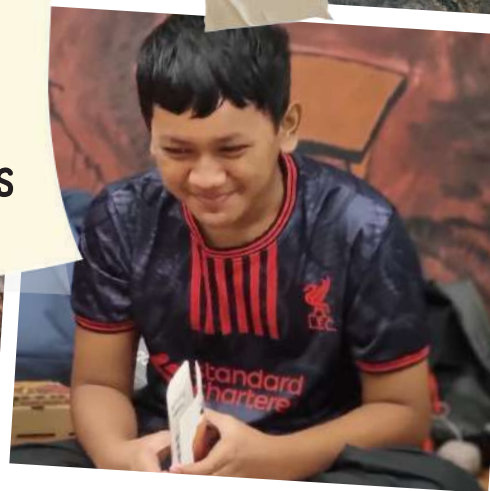

This program offers students a haven to explore their emotions without shame while also equipping students with the tools they need to navigate their emotions thoughtfully, such as stress-management, mindfulness practices, and conflict-resolution skills. As they grow in this program, they are not only giving themselves the opportunity for a successful future, but also inspiring their community to follow a path of hope.

Turning Challenges into Triumphs

Aaron Yap

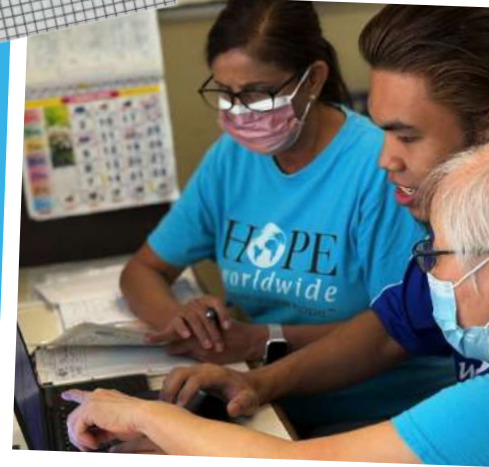

Aaron is a bright, witty student who carries the pain of being abandoned by his parents. Though his aunt welcomed him into her home with open arms, it was difficult for him to feel her home was truly his. Through the "R Youth OK" Mental Wellness Program, Aaron found solace in art, drawing the home he once shared with his family and exploring emotions he previously couldn't explain. As he continues in the program, his confidence grows, not only in facing difficult situations but also in how he mends the painful wounds of his past.

Aidel

Aidel is a shy boy who dreams of piloting a plane. His timidity was often an obstacle to his goals so he joined drama therapy, a program designed to push kids like him out of their comfort zone. All of his hard work paid off during the Cathay Anniversary "I Can Fly" program, in which he bravely approached a pilot, shook hands, and had a meaningful conversation. Step by step, Aidel continues to build his confidence and keeps his eyes to the skies.

Kemaman, Terengganu

Alif

Alif has never backed down from a challenge. Born in Malaysia without citizenship, his opportunities were limited—but little could stop him from pursuing his goals. Through HOPE's Basketball Clinic and STEAM Robotics Program, he found a supportive community, excelled as a student, and became an Assistant Mentor to guide the next generation. Today, Alif continues to give back, teaching HOPE's medical team imperative skills like digitizing databases and managing medicine stock counts. His journey is a testament to resilience, hope, and the power of community to inspire change.

Neelasree

Success does not always feel like success. Neelasree, a gifted student from a single-mother household, was appointed a prefect, a point of pride for her small family. But with it, new challenges arose: isolation, peer pressure, and the loss of friendships. The stress took its toll, leaving her overwhelmed and unsure of herself. The "R Youth OK" Wellness Program offered Neelasree a safe space to rediscover her confidence and embrace her true self. As of today, she stands as a pillar of her community and she has found the tools to navigate tender adolescence with hope and resilience.

Nur Alisya

Alisya's brilliance is evident to everyone, but her insecurities and self-doubt are harder to spot. Struggling with negative self-talk, she found it difficult to connect with others in a meaningful way. Through mindful art therapy, she expressed her emotions by drawing a house surrounded by an electric fence, a symbol of the protection she craved. Since uncovering these feelings, Alisya has shown remarkable growth. Instructors have noticed that she is blossoming into a confident young woman, engaging with others in ways she once thought impossible.

"We are committed to support activities that are inclusive, integrated, inspiring, and contribute to positive impact. Education programs like HOPE worldwide Malaysia's learning initiatives are crucial in empowering communities and enabling social mobility- we are proud to have played a part in this."

UOB

"Partnering with HOPE worldwide Malaysia has been an incredibly rewarding experience for Boston Scientific. We are deeply inspired by their unwavering commitment to empowering the B40 community through transformative initiatives in food security, educational support, and healthcare access.

Through our collaboration on the Orang Asli Outreach program, we have witnessed firsthand the profound difference these

efforts make in the lives of families facing adversity. This partnership aligns perfectly with our company's mission to create meaningful community impact, and we are honored to support HOPE worldwide Malaysia in their efforts to break the cycle of poverty. We eagerly look forward to deepening this meaningful collaboration for years to come"

"HOPE worldwide Malaysia's commitment to education and digital literacy is truly commendable. Our partnership in supporting their digital learning and skills empowerment programs has given underprivileged children and youth access to crucial knowledge and opportunities for a brighter future. We at UOB Malaysia are proud to be part of this initiative and believe in the power of education to transform lives. We look forward to continuing our support for such impactful programs."
