The background of the slide features a low-angle photograph of a modern glass skyscraper reaching towards a clear blue sky. The building's facade is composed of numerous rectangular glass panels that reflect the surrounding environment. In the foreground, there are several large, leafy green trees with dense foliage, partially obscuring the lower part of the building. The overall scene conveys a sense of urban development integrated with nature.

In 2023, HOPE *worldwide* Malaysia has been working to align our community programs and fundraising model with the values and principles of Environmental, Social and Governance (ESG). Through exploring the emerging trends and best practices in the evolving ESG landscape, we are committed to stay ahead and continue to create positive change in Malaysia.

Environmental responsibility lies at the core of our commitment to ESG. Whether it's reducing our carbon footprint, promoting sustainable resource management, or advocating for environmental conservation, our efforts can contribute to a healthier and more resilient planet for future generations. Hence, we are happy to share with you our past year's endeavours in the sustainable green program through the establishment of our rooftop urban farm, by continuing to collaborate with corporate companies, and providing Training, Education and Empowerment (TEE) to B40 community. Social impact is another crucial dimension of ESG that underscores our organization's mission. We would like to share with you our ground works through the "From Struggle

2023 年，马来西亚寰宇希望组织一直在努力使我们的社区计划和筹款模式与环境、社会和治理（ESG）的价值观和原则接轨。通过探索不断变化的环境、社会和公司治理领域的新兴趋势和最佳实践，我们致力于保持领先地位，并继续为世界带来积极的变化。

环境责任是我们对 ESG 承诺的核心。无论是减少碳足迹、促进可持续资源管理，还是倡导环境保护，我们的努力都有助于为子孙后代创造一个更加健康、更具复原力的地球。因此，我们很高兴与大家分享过去一年在可持续绿色计划方面所做的努力，包括建立屋顶城市农场、继续与企业公司合作，以及为 B40 社区提供培训、教育和赋权（TEE）。社会影响是 ESG 的另一个重要方面，它强调了我们组织的使命。我们希望与您分享我们通过心理保健教育项目开展的工作，该计划旨在增强低收入家庭和边缘化社区的心理复原力。

We are thrilled to announce the organization of our 2nd Good Earth Run, with its concept and impact revolve around ESG's values and principles, we call upon corporate companies to join us in celebrating and supporting ESG goals, while contributing to our cause to raise funds for our Sustainable Green Program.

As we embark on this journey towards embracing ESG, let us remember that our collective actions have the power to shape a better world. Each decision we make, no matter how small, has the potential to ripple outwards and create positive change. By working together, leveraging our strengths, and staying true to our values, we can build a brighter future for all.

Thank you for your unwavering dedication to our mission.

当我们踏上展开采纳 ESG 的旅程时，让我们记住，我们的集体行动有能力塑造一个更美好的世界。我们所做的每一个决定，无论多么微小，都有可能产生连锁反应，带来积极的变化。通过共同努力，发挥我们的优势，坚持我们的价值观，我们可以为所有人创造一个更加光明的未来。

A rooftop urban farm has been built to address food insecurity and empower low-income families with skills by transforming underutilised urban spaces into productive green areas.

在2023年，我们开始了一项旨在为全国低收入家庭、贫困青年和边缘化社区举办“从挣扎到力量心理健康互动工作坊”的征程。这个互动工作坊旨在帮助参与者有一个表达自己挣扎的途径，并发现、认可和庆祝他们已经拥有的坚韧力量。当一个人意识到自己的优势时，他们就能更好地应对生活中的挑战，从而减少压力、消极情绪和抑郁，从而改善心理健康。

Journey towards building Mental Resilience →

In 2023, we embarked on a journey to conduct the "From Struggle to Strength Mental Wellness Interactive Workshop" for low-income families, underprivileged youths, and marginalized communities nationwide. This interactive workshop aims to provide an avenue for participants to express their struggles and to discover, recognize, and celebrate the resilient strengths they already possess. When a person is aware of their strengths, they are better to handle life's challenges, resulting in a reduction of stress, negativity, and depression, to improving mental health.

Cultivate Empathy, Celebrate Strengths →

The workshop fosters a sense of community and inclusion rather than exclusion. It also highlights the diverse range of experiences within the group and enhances empathy among its members. During one of the interactive activities, the members got the chance to share their struggles and strengths using pictures and words they identified and cut from the magazines.

该工作坊培养了一种社区和包容而非排斥的意识。它还凸显了小组成员的不同经历，增进了成员之间的共鸣。在其中一项互动活动中，成员们有机会利用他们从杂志上找到并剪下的图片和文字，分享他们的奋斗历程和优点。
